

Driven by Vision. Defined by Results.

EASTERN OIL AND GAS
TRADING FZ-LLC

About Us

Eastern Oil and Gas Trading LLC is a dynamic energy trading company headquartered in Dubai, United Arab Emirates. With a global outlook and a strategic position in one of the world's leading energy hubs, we specialize in the trade and logistics of petroleum products and natural gas across international markets.

We serve as a trusted intermediary, connecting reliable suppliers with buyers through streamlined processes, risk-managed operations, and efficient logistics solutions. Our portfolio covers a wide range of commodities including crude oil, diesel, petrol, LPG, LNG, and refined petroleum products.

At Eastern Oil and Gas Trading, we don't just trade energy — we power growth, build trust, and create lasting value for our clients and stakeholders worldwide.

Our Vision

Corporate & Ambitious

Our vision is to be the trusted bridge between global energy suppliers and buyers, recognized for excellence in trading, transparency in transactions, and leadership in the evolving oil and gas market.

Global & Strategic

To lead the future of global energy trade by setting new benchmarks in integrity, efficiency, and innovation — driving economic impact and energy access through strategic partnerships and seamless delivery.

Global & Strategic

Our vision is to redefine the landscape of energy trading by harnessing technology, strengthening logistics, and fostering sustainable business models that fuel progress for clients and communities worldwide.

Our Mission

Professional & Straightforward

Our mission is to facilitate seamless, secure, and efficient trading of oil and gas products by connecting global buyers and sellers through trusted partnerships, market expertise, and operational excellence.

Global & Purpose-Driven

To drive global energy access by delivering high-quality petroleum products and trading solutions while upholding the highest standards of integrity, compliance, and customer satisfaction.

Operational Focus

Our mission is to streamline the oil and gas trading process through innovation, market insight, and a robust logistics network — ensuring every transaction adds value, reduces risk, and meets global demand.

Core Values

Our core values form the foundation of our business practices and interactions with clients, partners, and the community. Guided by these principles, we ensure that our decisions and actions consistently uphold the highest standards of services.

Integrity

We prioritize honesty and ethical behavior in all our interactions.

Excellence

We are committed to delivering the highest quality and continuously improving across all our services.

Client Centric

We concentrate on understanding and surpassing client needs with customized solutions.

Innovation

Constantly adopting innovative approaches to stay ahead in the market.

Teamwork

We foster collaboration and teamwork to achieve shared goals.

Community Commitment

Actively engaged in sustainable practices and initiatives for improvement.

OUR SERVICES

> Crude Oil Trading

We source and supply high-quality crude oil through secure and compliant trading channels, connecting global producers with refineries and bulk buyers.

> Refined Petroleum Products

We trade a wide range of refined products including diesel, petrol, jet fuel, kerosene, and fuel oil — ensuring competitive pricing, reliable delivery, and strict quality standards.

> Natural Gas Solutions

Our portfolio includes Liquefied Natural Gas (LNG), Compressed Natural Gas (CNG), and Liquefied Petroleum Gas (LPG), offering clean and efficient energy options for industrial and commercial clients.

> Petroleum Logistics

ensuring timely delivery, regulatory compliance, and uninterrupted supply across global markets.

OUR SERVICES

> Precious Metal Trading Throught Out JV- Partners

We facilitate precious metal trading through our trusted joint venture partners, connecting verified buyers and sellers across global markets. Our role is to ensure secure, transparent, and efficient transactions in gold and other precious metals, while all deliveries and contracts are handled directly between the end parties.

> Edible Oil Trading Throught Out JV- Partners

We facilitate the trading of high-quality edible oils through our trusted joint venture partners. By connecting reliable producers with bulk buyers across global markets, we ensure competitive pricing, quality assurance, and smooth execution of large-scale transactions. All operations are carried out in compliance with international food safety and trade standards.

> Rice & Sugar Trading Throught Out JV- Partners

We trade premium quality rice and sugar through our established supply network, ensuring reliable sourcing, competitive pricing, and timely delivery to global buyers.

ARE ALWAYS READY TO SERVE

Dedicated to providing exceptional energy solutions, our team is available around the clock to meet your needs. With expertise and commitment, we ensure seamless and reliable service, making your satisfaction our top priority.
